

WHY Values Matter....

Youth With A Mission (YWAM) is a Christian missions movement like no other. Since 1960, it has launched wave after wave of young missionaries – now into the millions – who have impacted every nation on earth by simply listening to and obeying the voice of God. In *Values Matter*, YWAM Co-founder **Darlene Cunningham** shares inspiring stories of how God shaped YWAM into what it is today – a large and effective “wave-maker” for missions – through the spiritual “DNA” carried within its core beliefs and 18 foundational values. Darlene has lived, taught, and led discoveries into these essential beliefs and values for decades on six continents. Her passion is to impart them into future generations of YWAM missionaries.

“Darlene Cunningham is a master storyteller. And what a story this is!”

FOREWORD BY LOREN CUNNINGHAM

**Darlene
Cunningham**

In addition to co-founding **Youth With A Mission** with her husband, Loren, Darlene Cunningham is also the International Vice-Chancellor of YWAM's University of the Nations. In the same way that Loren is the organization's big-picture visionary, Darlene is the hands and heart of YWAM—its implementer of vision, and key people developer.

When YWAM turned 25, Darlene began identifying, clarifying, and teaching YWAM's Foundational Beliefs and Values, which fueled her passion to pass on the spiritual “DNA” of the mission to new generations. She has led scores of multi-lingual YWAM leadership training events on six continents, creating opportunity for those who did not have access due to geographic, linguistic, or financial barriers. One of her greatest joys is discovering untapped leadership gifts in young men and women and helping them to reach their full potential in God. Founded in 1960, YWAM's ever-expanding global missions movement is currently serving in more than 200 countries.
